My family

My family is not very big. I have two brothers and one sister. They live in England. My sister has three children (2 boys and 1 girl) and my brother has two children (1 boy and 1 girl). I have three nephews and two nieces. I am their uncle.

I have one daughter. Her name is Kate. She is four years old. She likes drawing and dancing.

Kate has two uncles and one aunty. She has two grandmothers and two grandfathers. She is very funny!

Can you find all the family words in the text?

For example: family, brothers .....
